2nd October 2025

Dear Parents and Carers

We would very much like to continue to offer our help in a community project as part of our Harvest celebrations this year. We are holding a whole school assembly on Tuesday 21st October at 9:15am in the school hall. Parents and carers are all invited to this celebration where all the children will perform and we will celebrate the donations we have been able to collect as a school community. We recognise that these are very difficult times for our families, but if there are any food items that can be donated, they would be very much appreciated.

All donations will be given to our local food centre who run a food club for people in our local community who are finding it difficult to pay for food due to a variety of situations such as a disability, financial hardship, family issues or losing their jobs. They would welcome any donations of longer life food such as;

- Packets e.g. soup
- Cans/tins e.g. baked beans
- Boxes e.g. cereals
- Toiletries

Please could we ask that children of families who would like to donate, bring their items to school. There will be a 'tub' inside their classroom that they can put them in safely. The tubs will be out from today until the assembly. It would be great to see which class could fill their tub first! There will also be a collection point in the reception area.

Thank you for your help.

Kind Regards

Jenny May

Deputy Headteacher
