

# School Council Minutes

04.10.22

Your new school council representatives are:

## School Council

All present – No reserves

### Minutes:

In today's meeting we discussed about saving water and to stop leaving the tap on. Please make sure that you turn the taps off after using and if you see one running, turn it off. We'll be creating posters and putting around the school.

Coming up is the Harvest Festival. Each class have a tub which we are asking for donation for. Mrs May will be giving more detail in assembly on Monday. Each class will or have started to learn a harvest song.

Don't forget to add to your suggestion boxes throughout the week.

We hope you have a brilliant rest of your week,

From Your School Council.
