The Final Newsletter of the School Year

Welcome to the final newsletter of the school year!

It has been a truly marvellous year in so many ways, with the school continuing to flourish in every area. Every single child has been amazing, and we are incredibly proud of each and every one of them. They have embraced every opportunity offered to them, excelled in so many ways and fulfilled their tremendous potential.

We very much hope you have successfully received your child's end-of-year school report today. Reports have been sent via email. If you have any questions regarding your child's report, please do not hesitate to contact the school.

Transition Day

Our Transition Day on Tuesday was a huge success. We were delighted to welcome our current Year 2 children, who will be joining us in Year 3 this September. All of our other children spent the day with their new teachers for September 2026 and thoroughly enjoyed the experience.

We also hope that our current Year 6 children enjoyed their respective transition days at their secondary schools and are looking forward to the next exciting chapter of their educational journey.

Year 6 Leavers' Performance

Our Year 6 children are now busy preparing for next week's Leavers' Performance. It promises to be a fantastic show and is a wonderful celebration of the talent, enthusiasm and excellence of this year's Year 6 cohort.

The children have thoroughly enjoyed putting the performance together, and I would like to extend my sincere thanks to the staff who have worked so hard in preparing them.

The performance will take place on **Wednesday 15th July at 6.00pm**. Everyone is welcome to attend, no tickets are required, and the performance will last approximately one hour. We are sure it will be a thoroughly enjoyable evening.

Year 6 Leavers' Party

A reminder that the Year 6 children have their leavers' party straight after school on **Wednesday 15th July**. Children are welcome to bring party clothes to change into for the celebration.

Bastille Day Celebrations

We are looking forward to celebrating **Bastille Day** on **Tuesday 14th July**.

Mrs Young has kindly organised a wonderful day during which the children will learn about the French National Day and explore aspects of French culture. They will enjoy a traditional French breakfast and, at lunchtime, we will hold a picnic on the school grass area to recreate the style of celebrations enjoyed in France.

We would love the children to come to school dressed in **red, white and blue**.

Year 4 Art Exhibition

Congratulations to all of our Year 4 children whose artwork was displayed at the University of Northampton this week.

As part of their project, they studied a painting from the National Gallery before creating their own inspired artwork. They visited the exhibition today and thoroughly enjoyed seeing their work on display. We have also shared photographs of their artwork on our Facebook page.

End of Term

Our final day of the school year is **Friday 17th July**.

We will be holding a **Mufti Day**, and our Year 6 children will receive their much-anticipated leavers' hoodies.

It has become a cherished tradition for the whole school community to form a guard of honour as our Year 6 children leave the school for the final time at **3.30pm**. Everyone is warmly invited to join us as we celebrate this very special milestone and wish our Year 6 children every success for the future.

Thank You

Finally, on behalf of everyone at PJS, may I thank you for your continued support throughout the year.

Together, we have enjoyed another outstanding year, and we are immensely proud of all that our children have achieved. We look forward to building on this success when we return in September.

We wish you all a wonderful, safe and relaxing summer holiday and hope you enjoy spending precious time with your families.

School Re-opens

WhatsApp

We frequently receive reports of children using WhatsApp inappropriately, such as sharing images to embarrass others, sending hurtful messages, spreading rumours, or excluding people from group chats to make them feel left out. It is important to think about whether WhatsApp is the right platform for your child. For example, you should consider if your child has the critical thinking skills to recognise bullying and can they manage peer pressure and refrain from joining in on hurtful behaviour?

Users should be at least 13 years old to use WhatsApp. WhatsApp have announced that they are rolling out the option of Parent-Managed accounts for those under the age of 13. The settings will include allowing you to choose who can contact your child and ensuring only you can add them to groups. Find out more here: <https://faq.whatsapp.com/3948716599529864>

What should I be aware of if my child is using WhatsApp?

- **Group chats:** Everyone within a group, even if they are not one of your child's contacts, can see all messages within that group.
- **Inappropriate content:** users can be exposed to content that is not suitable for their age.
- **Location sharing:** talk to your child about the potential danger of sharing their location.
- **Chat lock/secret code:** users can lock chats as well as apply a secret code setting, so a chat does not appear in the main chat.
- **Screen time due to addictive nature**
- **AI:** Whatsapp includes Meta AI including Incognito Chat with Meta AI so nobody (including Meta) can read your conversations.

What can I do?

- Check privacy settings: e.g. who can add them to groups.
- Ensure your child understands that they can leave a chat at any time. Find out more here: <https://faq.whatsapp.com/14242473736394>
- Show your child how to block and report other users. Find out how here: <https://faq.whatsapp.com/1424881766359885/>
- Set up appropriate parental controls.
- Talk about who they are chatting with, encourage them to think carefully about the messages they send and how they might be received.
- Chat to your child about the groups that they belong to.

What is livestreaming?

What is livestreaming?

Livestreaming is when an individual broadcasts video live over the internet. People can watch livestreams from any device that is connected to the internet.

What are the risks?

There are risks associated with watching livestreams that you should be aware of. The main risk being that your child may see or hear something inappropriate as your child may come across themes or content that is not suitable for them. It is difficult to moderate live content as it is happening in real time.

How can I help my child?

- All online platforms have an age rating, ensure your child only accesses platforms that are appropriate to their age. For example, TikTok has an age rating of 13.
- For any platforms that your child uses, ensure appropriate parental controls and privacy settings are applied.
- Take an interest in what your child is doing online and on a regular basis, ask your child to show you what they are accessing.
- Ensure your child knows how to use any reporting/blocking tools on the app that they are using and as always please ensure that your child knows to talk to a trusted adult if they see anything that concerns them online.

Achievements

Many congratulations to our Year 5 children for a brilliant ukulele concert. All 60 children played over 10 pieces and it sounded amazing. Thank you to all the families who came along.

¹<https://www.ksschoolwear.co.uk>

Some of our Year 5/6 boys enjoyed their day at Moulton College completing cricket skills sessions. They worked very hard and enjoyed the day.

It was great to welcome Dee from Wellingborough Library to tell us about this year's Summer Reading Challenge.....Read to the Beat. Why not go along on its launch day on 11th July when you can try circus skills or musical instruments. Read 6 books over the summer break to earn from prizes! A brilliant scheme that is totally free. We are so lucky in Wellingborough to have such a proactive and superb library.

Super Work

3KY loved their maths lesson outside taking advantage of the cool breeze and shade!

Our Year 4 children a lovely day at The National Gallery.

We had all the children taking part in a wonderful musical concert. We wanted everyone to experience the joy of performing and being on our big stage in front of the rest of the school. All the children were absolutely brilliant and we were all very impressed.
