Headteacher's Latest News

Dear Parents and Carers,

We have had an incredibly positive start to the school year and have truly hit the ground running. It has been wonderful to see our children thriving, getting involved and making the most of the many opportunities available to them.

Here are some of the highlights from across Park Junior School this month.

Excellent Attendance

We are delighted with our attendance so far this year. Our current attendance figure is **97%**, which is well above the national average.

Thank you to all our families for your continued support. Ensuring that your child attends school every day makes a significant difference to their learning, progress and development.

Special congratulations go to Year 3 and 4, who currently have the highest attendance at an impressive 97.2%.

A reminder that the school day starts at 8.50am. We ask that all children arrive in school and are ready to begin their learning by this time.

Our School Community

Places at PJS remain in high demand, and we are delighted that the school is currently full.

We now have 240 children on roll, with 30 children in each class. There is currently a waiting list for each year group, which families can join through North Northamptonshire Admissions.

We are also very proud to welcome additional children into our Ready Room, our specialist SEN provision for children with social, emotional and mental health needs.

Twelve children from across North Northamptonshire attend the unit over the course of the week, and we are extremely honoured to have them as an important part of our school community.

Year 6 Wales Residential

We were absolutely delighted with the success of our Year 6 Wales residential last week.

The residential is a huge undertaking, and we are incredibly proud of every child who attended. They demonstrated tremendous commitment, resilience and determination as they tackled the many challenges and activities on offer.

A huge thank you goes to the members of staff who gave up their time to provide such a wonderful experience for our children:

Mrs May • Mrs McMahon • Mr Draper • Mrs Howes • Miss Murphy

We know the children will have created some fantastic memories that they will treasure for many years to come.

Summer Reading Success

We were delighted to welcome Dee Baird from Wellingborough Library this week.

Dee announced to the whole school that PJS had successfully won the Summer Ready Challenge for the number of children completing the scheme.

We were presented with a lovely trophy and certificate to celebrate our success.

A huge well done to all the children who completed their six books over the summer break. What a fantastic achievement!

After-School Clubs

It has been fabulous to see so many children taking part in our after-school clubs this week.

We currently offer 10 different extra-curricular clubs, all provided free of charge and led by our brilliant teachers.

Our current clubs include:

- Craft
- Choir x2
- Fitness
- Computing
- Lego
- English
- Basketball
- Football
- Book and Bake

It is fantastic to see such enthusiasm and participation from our children. We hope even more children will take advantage of these wonderful opportunities throughout the year.

European Day of Languages

On Monday, we celebrated European Day of Languages.

This annual event provides an opportunity for us to learn about and celebrate the many different languages and cultures represented within our school and across Europe.

We were excited to discover that 25 different languages are currently spoken at PJS.

This is something we enjoy to celebrate as a school community and reflects the wonderful diversity of our pupils and families.

Year 3 Reading Cafés

It was a pleasure to meet so many Year 3 parents at our Reading Cafés this week and last week.

Thank you to everyone who took the time to attend. We hope you found the sessions both enjoyable and useful.

Your continued support with reading at home is hugely appreciated and makes such a positive difference to children's progress and confidence as readers.

Cross Country

We are looking forward to our annual schools' cross-country races next week.

On Wednesday, we will be taking a team of 48 children to Croyland Park for a morning of running, competition and teamwork.

We wish all our competitors the very best of luck!

Parents and families are very welcome to come along, watch the races and support our children.

Introducing Our New Eco Council

It was wonderful to present our new Eco Councillors with their badges this week.

We now have 16 councillors, who will be working throughout the year to identify ways in which we can improve our environment and make our school more sustainable.

Save the Date – 8 January

Our Eco Council will be working with The Little Recyclers to give unwanted clothes a new lease of life while also raising money for our school.

Please start collecting any unwanted clothes ready for the collection. Your donations will help us to care for our environment while supporting PJS.

Lockdown Drill

We would like to make families aware that we held a lockdown drill today.

This was a scheduled practice and is an important procedure that all schools are required to undertake.

The children were incredibly sensible and mature throughout the drill and managed it extremely well. We were very proud of them.

Looking Ahead

There are still three full weeks remaining until the end of what has already been a very busy half term, and there is plenty more to look forward to!

Harvest Celebration

Tuesday 20 October – 9.15am

Please put this date in your diary.

Everyone is welcome to attend our special Harvest Celebration assembly, and all of our children will be taking part.

Secondary School Applications

We know that some of our Year 6 children are currently busy visiting secondary schools in our local area.

A reminder that the closing date for secondary school applications is:

31 October at 5.00pm

Please ensure that your application is submitted before the deadline.

Thank You

Thank you, as always, for your continued support.

It is wonderful to see our children thriving, getting involved and making the most of all the opportunities available to them. We are incredibly proud of everything they have achieved so far this year.

We look forward to another exciting few weeks at PJS.

Wishing you all an enjoyable weekend.

CapCut

CapCut is a video editing app. Their services are intended for those over the age of 13 (those under the age of 18 must have content from their parent/legal guardian). It is rated as 13+ on the App store.

What can I do on CapCut?
CapCut is used as a video and image editing tool allowing users to edit their videos/ images as well as add music, sound effects, text and stickers.

What should I be aware of?
- The templates are user generated, therefore they may not always be appropriate for your child to view, for example may contain adult themes.
- CapCut includes access to a library of music that may include explicit lyrics.
- Premium content - CapCut does include in-app purchases/monthly subscriptions to allow users access to premium content.

AI companions

What are AI companions?
AI companions are artificial intelligence services designed to interact with users to simulate friendship or romantic relationships. There are many different AI companions available, accessible via apps or websites. **Many of these apps are intended for adults and have an age rating of 18+.**

Why are children using AI companions?
There are many reasons a child might want to use an AI companion, including:
• To ask advice and questions that they may be embarrassed to ask another person. It may be easier to talk to an AI companion, so it is imperative children understand the difference between AI and real people.
• They feel lonely and are looking for friendship.
• Children may just be curious and want to try new technology.

What should I be aware of?
• **Age restrictions:** It is important to check the age rating to see if it is appropriate for your child.
• **Inappropriate content:** there is often a lack of moderation so users could be exposed to content/language that is not suitable for their age.
• **Emotional dependence:** AI companions are designed to act as a friend, encouraging an emotional dependence. This may lead to your child becoming over reliant on the service. A chatbot should never replace a parent, a medical professional or other trusted adult.
• **Relationships:** repeated use of AI may influence a child's understanding of relationships and consent in real life.
• **Privacy and personal information:** children should not share personal or confidential information with AI companions.

What can I do?
• Check the age rating and any privacy settings.
• Set up appropriate parental controls on their devices/ broadband.
• It is crucial to have regular conversations with your child about the risks outlined above and about what they are doing online. Ensure your child knows that they should talk to you or another trusted adult if anything concerns them.

Discord

Discord is a social networking app originally designed for gamers, but is now used by lots of different people to **chat to each other online**. The minimum age to access Discord is 13. **The App store rates it as 17+.**

Discord is made up of servers, which are spaces for groups to chat, upload files and share images etc. Anybody can set up a server, and it can be set as either public or private. Users can video call and send direct messages to other individuals or groups. Children who play online games such as Fortnite may use Discord to chat whilst playing the game (**rather than using the game's own chat facility**). In-app purchases are available through Discord's subscription service called Nitro.

How can I make it safer?
Discord have created a Family Centre, which provides further information about what Discord is, as well as information about different safety settings available:
<https://discord.com/safety-family-center>

As always, we would encourage you to chat to your child to see why they use Discord and ensure that they know how to block users and what to do if they see any inappropriate content. It is important to be aware that Discord does include video/voice calling which cannot be filtered. **Discord is used by an array of users and therefore adult content can be found on Discord, as well as inappropriate language.** Discord have produced this article, which answers frequent questions:
<https://discord.com/safety-library>

5 fun online activities

Whilst we must be aware of the negative aspects of the internet, it's also important to remember that it can also be a great place to have fun or learn something new as a family. Why not try the following?

1. Play a game together.
2. Take a family quiz – it could be around the topic of online safety (e.g. from Childnet) or you could use Kahoot to create your own.
3. Learn something new – explore BBC Bitesize, National Geographic Kids or Khan Academy.
4. Create something – make a digital drawing or video.
5. Read an Audio book.

Doki Doki Literature Club

Doki Doki Literature Club is a game that, due to its cartoon anime appearance, may appear to be a game suitable for all. However, as the game progresses, it contains much darker and potentially distressing themes. The game includes references to suicide, self-harm and death.

The App store rates it as 18+ as it has cartoon or fantasy violence and horror/fear themes as well as infrequent profanity and crude humour. The game is described as psychological horror. You should also be aware that the app also includes in-app purchases.

The game's own website also states that it "is not suitable for children or those who are easily disturbed."

Please ensure you have set up appropriate parental controls on any devices and platforms that your child uses to ensure they can't access games that are not suitable for their age.

Happy Tree Friends

Happy Tree Friends is another animated series that might look harmless because of its cartoon graphics, but the programme contains violence, death and blood. Clips of Happy Tree Friends are also circulating on social media platforms.

As above, we would recommend that you have set up appropriate parental controls to limit exposure to content like this. Also, chat to your child about what they are watching online and ensure they know that if they do see something online that upsets them, then they should talk to you or another trusted adult.

Park Junior School Lottery

Friends of Park Junior School have been running a school lottery for the last six years and any profits have allowed them to fund additional items for the children. Many thanks to all the parents and carers who have continued to support the school and if you are interested in joining please go to www.yourschoollottery.co.uk¹ to register and play. Ticket sales are averaging 35 a week. We would very much like to improve this. More tickets sold means more profits to the school. The draw takes place on Saturdays. All of our profit goes to OUR school! A GUARANTEED prize to someone on our supporter list every week!

Start supporting *NOW* for only £1 a week!

A further chance of winning £25,000 in a separate draw every week.
