

The Water Wars

Welcome back to Newsround and today we will be looking at the sea. The oceans, seas, rivers and lakes are getting more and more littered. Everyday Underwater animals are becoming more endangered with many sea life creatures are going extinct as we speak some with birds to count this be the end? Find out more on Newsround

Sea See you tomorrow bye! (TV turns off) "Ugh" there's no American news yet" groaned
Russia "I need to call my soldiers" (turns on walkie talkie) "Sergeant Hong!" "Yes Comander Sir!" "Tell the troops to go go to the Ukraines border. We can't lose our gaurd." "Sir yes Sir!" "Attack is needed but for now Secure Secure the lost Ukrainian territory but go Russia's out!" (turns walkie talkie off) "Now time for a rest" (1 day later) (yawn) "oh what a good nap now time to check on my Navyyyy!" "What happened?!" "Where's the water?!" (turns on the phone) "CHINA!!!" "yes Russia" "Where's the Sea!" "What are you talking about I'm sure it's nothing!" "Where's the South China Sea. Japan you and your technology! I declare war!" (whispers) "it wasn't Japan?" (whispers again) "oh ok well lets go to the UN now!" exclaimed China (arrives at the UN) "... Oh my god Russia it's a Crowe and wait Pakistan?!" "China?" "Why are you here?" "The Indian Ocean is gone." "Settle down everyone, we don't know what happened but we will get to the bottom of this but for now go back!" shouts exclaims the UN.
(Arrives back) "How... did the water disappear... HOW!" "Wait ill just invade other countries... its diabolical lets do this!"

(to Niger: a) "Why is there a big fuss I still have my water I guess Ill have a drink" "HEY Nigeria" shouted Niger "Wait noo!" "you have water" "I declare war then" "noo!" screamed Nigeria (10 days later) "goodbye Niger" "wait I'm sorry." "too late!" "noo!" (Nigeria's Invaded now to Russia) good bye post soviet members" "noo!" (Soviet members are invaded) "yes now I am the Soviet Union" "Russia I we declare war on you" said Nato "well I declare the water wars" replied USSR "Stop I know I have now broken my neutrality but stop maybe we need to clean the sea! for water" ^{desperately} said Switzerland "he's right lets do this guys" said Pakistan "All right" shouted the countrys (1 year later) "we did it guys" said China "Switzerland I hope your right" said India "you hav cleaned the sea and everything I shall now give your water back!" said the Earth "Horay!" said everyone "Peace!" said Switzerland
